A Challenge.

The republican state central committee has announced the name of a Swede who is to be imported into Kansas to talk to the people of that nationality upon political questions in their own language. We are authorized to issue a challenge to the committee to arrange for this speaker to divide time with a People's party speaker of that nationality in the discussion of the issues of the campaign.

S. M. Scott Coming.

S. M. Scott, who is now campaigning in Tennessee, will return to Kansas about October 1. He will make his first speech in the campaign of Kansas on the 5th, and will continue in the campaign until the finish. Localities desiring the services of Mr. Scott should communicate with me at once. His first appointment should be made at some point in the Second district.
